WEDDING BROCHURE

helping you say I DO...

MEET ME

capturing moments that count!

WARMEST WELCOME

Hello, I'm Kirsty the photographer behind the lens! I have always had a passion for taking photographs from a young age - I am extremely lucky to call this my job!

I have been a professional photographer for 10 years specialising in Weddings and Family portrait photography. My photography studio is based at my home in Wolverhampton. My style of photography is simple, elegant and timeless capturing all the moments that count. If you are looking for a relaxed, down to earth, natural photographer, look no further - I won't let you down.

Kirsty was the most incredible photographer for our wedding day a few weeks ago. Through all the uncertainty over the last few months with the covid situation & not knowing if our big day would even go ahead, Kirsty took all that stress away on the day & has given us amazing photos we will treasure forever. Kirsty is so lovely & laid back that she felt like a friend we'd known for years & all the guests said the same. Pictures were easy & stress free (especially with a groom who hates having his picture taken) & she captured every detail perfectly. We are forever grateful for everything Kirsty did that day & I would recommend her all day long. The pictures seriously speak for themselves....every single one she took!! And to get them back so quick & with a gorgeous presentation box is just the icing on the cake.

Thank you so much Kirsty!! Xxxx

WHAT TO EXPECT

Upon booking, it is 20% deposit to secure your date, a payment plan is then set up leading up to 3 months before your big day, this is to help you spread the cost so it is more manageable. I am always on the end of the phone whenever you may have a question etc. I always ask if there is any certain photographs you definitely want so we can re create these for you on the day!

WHATS NEXT?

Once your wedding is over, I always send you a couple of images 'sneak peek', either the same evening or the next morning, so you can use them on social media etc (If you are anything like me, I hate having to wait to see my pictures!) I always aim to complete your photographs 4-6 weeks after your wedding!

WOW, WOW, WOW the photos are

AMAZING!

You have captured our family so perfectly, I can't stop looking at them! Thank you so so much!

We had the most amazing experience at KLowde Photography, it was like having a friend there!

Kirsty was amazing with our children on the day to, we felt so at ease as soon as we arrived! The images are more than i ever imagined, absolutley over the moon!

I dont normally like having my photograph taken however i felt so at ease with Kirsty and the photographs are incredible!!!

LOVE NOTES

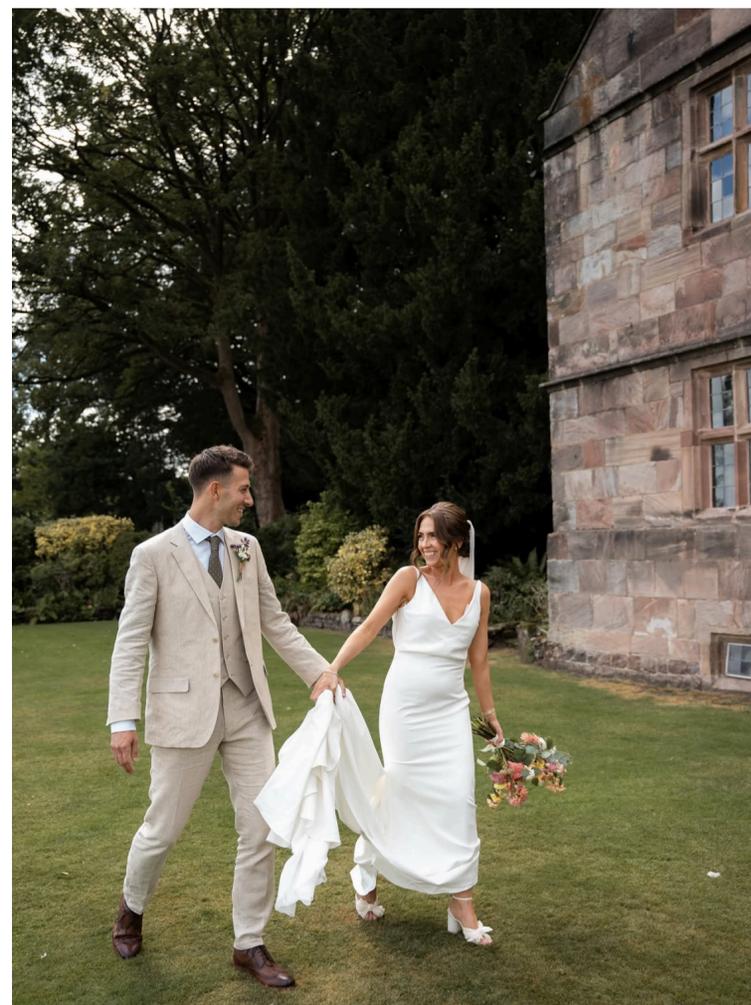

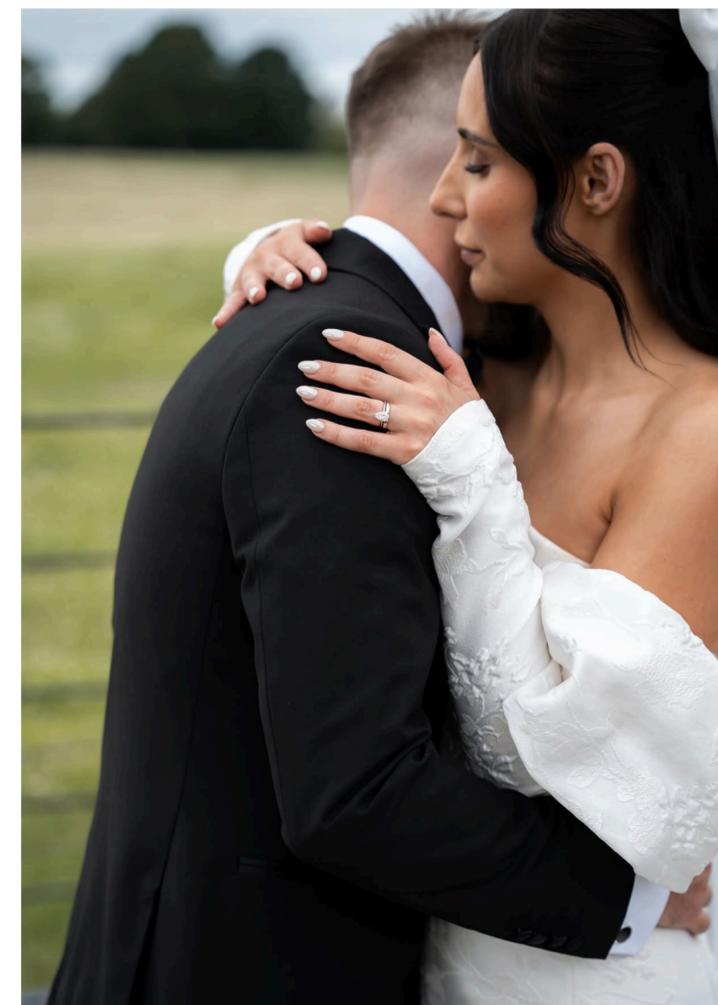

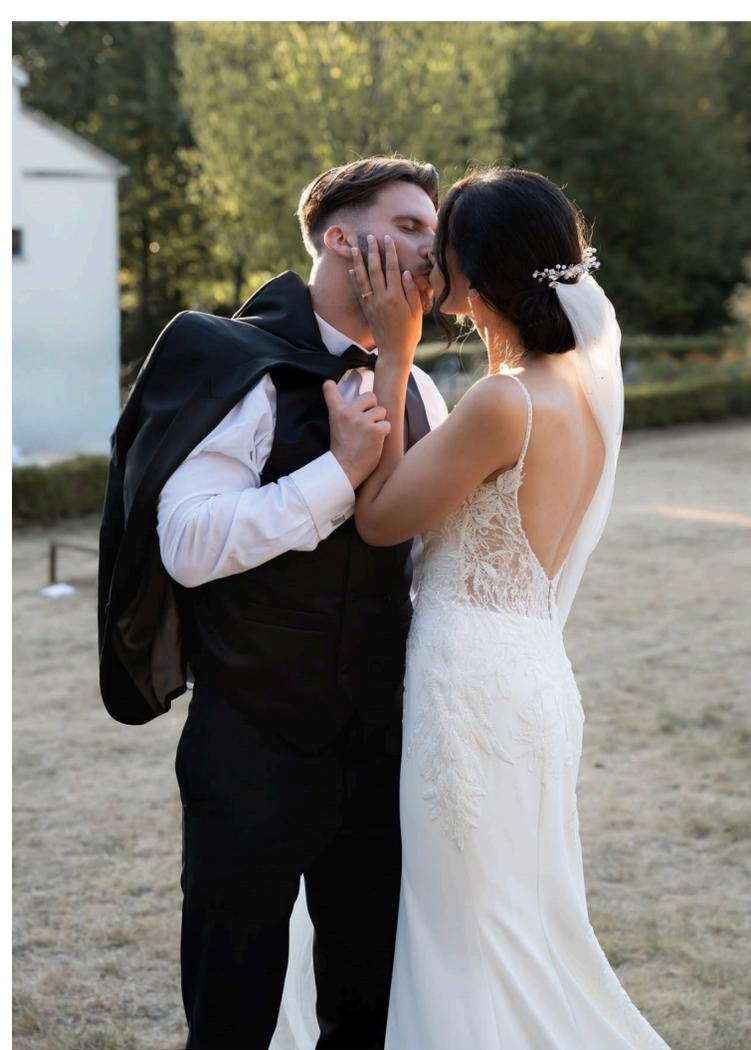

'and so the adventure begins...'

'We absolutely love our wedding photos. They capture so many little details that we had either missed or forgotten, with Kirsty managing to work miracles with two of the most unphotogenic people going! Kirsty was easily contactable, replied quickly to messages, was happy to listen to our ideas and most importantly documented our big day to great effect - unobtrusively capturing images we will enjoy for the rest of our lives. Kirsty has such a fantastic approach to her passion, which has so deservedly become her profession - she is relaxed, friendly & down to earth. A joy to have around leading up to (our engagement shoot was also fab) and on the day. Rachael & Mark '
